## DEAR FRIENDS,

It is our pleasure to share with you the Professional Flair dba Dancing Wheels Company & School Annual Report which spans all the programs and performances that we have engaged in over this past year. We've reached thousands of individuals throughout the world and hope that their experience with us has inspired them to see their individuality, integrity, and ability to share their talents with others.

This year has been reflective of our continued quest for equality and allyship. As we concluded our 43<sup>rd</sup> season, we celebrated with a gala event and world premiere concert entitled *Allies in Action!* The theme of the concert honored the extraordinary accomplishments of artists in the LGBTQIA+ community whose work has paved the way for merited recognition and equality in the arts.

The family of Dancing Wheels' artists and advocates take great pride in recognizing and supporting those who have emerged and accomplished so much in their lives, even in the face of discrimination and discourse. We are firm believers of allyship and equality for all in all that we do!

Promoting and presenting the work of diverse artists is not only important in broadening the vision of possibilities in integrated dance, but it is also critical to the development and promotion of artists who, in the past, have not had the same opportunities to study and develop their craft due to societal bias and judgement.

The Dancing Wheels Company & School continues to strive for inclusive arts in all aspects of participation, arts education, performances, and choreographic advancement.

It is our hope that our programs and performances carry long-lasting impressions on all those who witness our work. That way, they may act as ambassadors to help us continue to expand the definition of inclusive dance and offer more possibilities for artists who have been marginalized by their identity, race, or disability.

There is a wellspring of artistic possibilities to create and expand upon as we break through societal barriers and make way for the next generation of trail blazers, who in turn will have the tools to ignite and reimagine new dance works that change the global view of inclusivity.

**With Sincere Appreciation,**

**MARY VERDI-FLETCHER**  
PRESIDENT/FOUNDING ARTISTIC DIRECTOR

**ROSS CAMERON**  
CHAIR, BOARD OF DIRECTORS

## HISTORY AND MISSION

**IF DANCE IS AN EXPRESSION OF THE HUMAN SPIRIT**, then it is best expressed by people of all abilities. That is the fundamental belief behind the Dancing Wheels Company & School. Considered one of the premier arts and disabilities organizations in the U.S., Dancing Wheels is a professional, physically integrated dance company uniting the talents of dancers both with and without disabilities.

Mary Verdi-Fletcher, the first professional wheelchair dancer in the U.S., founded the Dancing Wheels Company in Cleveland in 1980. Born with spina bifida, Mary wanted to offer others with disabilities full and equal access into the world of dance. An almost unimaginable concept at the time, Mary's vision and passion have since helped to revolutionize our very notion of dance—as well as what defines a dancer.

Furthering the mission of inclusive arts and recreation opportunities for all, the School of Dancing Wheels proudly opened its doors in 1990. Its state-of-the-art studios were soon regarded as a world-class training center for dancers, choreographers, and educators. That same year, a partnership with the Cleveland Ballet created the groundbreaking Cleveland Ballet Dancing Wheels which went on to delight audiences for nearly a decade.

To date, the Dancing Wheels Company's inspirational mission has touched over **6.5 million** people through performances, school assemblies, residencies, and workshops. Millions more have enjoyed their artistry via appearances on CNN, Good Morning America, and the TV special "Christopher Reeve: A Celebration of Hope."

Now part of Professional Flair, Inc., a 501(c) arts and disabilities organization, Dancing Wheels continues to travel the globe advocating disability awareness and entertaining 30,000-50,000 people each year. With a repertory of **100 works** from nationally esteemed choreographers and a message of inclusion and accessibility, the Company continually expands the reach of artistic possibilities while celebrating the universal spirit of dance.

**Our company's lifelong mission to educate, advocate and entertain through compelling, innovative dance was born of the goals that each of our team members shares a heartfelt commitment to:**

**ENHANCE** INTEGRATION AND DIVERSITY IN THE ARTS WITH WORKS UNITING PEOPLE OF ALL ABILITIES.

PROVIDE **SUCCESSFUL, INDEPENDENT AND CREATIVE ROLE MODELS** FOR THOSE WITH DISABILITIES.

**ERASE NEGATIVE STEREOTYPES** ABOUT PEOPLE WITH DISABILITIES IN PROFESSIONAL CAREERS, PRIMARILY IN THE ARTS.

**INSTILL GREATER UNDERSTANDING AND PROFESSIONALISM** IN INDIVIDUALS OF ALL ABILITY LEVELS.

# EDUCATION

The Dancing Wheels Company & School's educational programs extend arts learning opportunities to all. Educational programming includes classes, workshops, residencies, training programs, assembly-based lecture performances, and guest speaking engagements.

## HERE ARE SOME HIGHLIGHTS—

- Having been involved with the organization since 2006 in various capacities including dancer, tour manager, and rehearsal director, Sara Lawrence-Sucato took on the role of Director of Education in the 2022-2023 season. This role combined her responsibilities as Director of Outreach and School Administrator with the task of developing a training program for new company members and continuing to advance the Dancing Wheels Teacher Certification program.

## TRAINING—

- The training program introduced six new dancers to the company (two company members and four apprentices).
- Three new company class instructors were hired and received additional training in physically integrated dance to apply to their own teaching practices.
- Seven adults participated in our Summer Dance Workshop.
- Five dance teachers received our Dancing Wheels Level 1 Teacher Certification.

From the Teacher Certification, one participant reflected, "As an aspiring teacher and choreographer, I want to really focus on equity and inclusion in what I teach, and very few organizations offer instruction in these areas when it comes to dance. After learning about the Dancing Wheels methodology, I have gained a greater understanding of the use of translations in any movement practice, while also learning how to teach a class of all abilities in an effective manner." —Jules Rizzo, Dancing Wheels Level 1 Certified Teacher 2023–2026.

# OUTREACH & COMMUNITY ENGAGEMENT
